

Advisement Rules

-  Students **must** be advised before registration holds can be removed
-  Students may sign-up for only one advisement time; if you sign up for more than one time, your name will be deleted from all but one slot, **at faculty discretion**
-  Only one name per line, please! No erasing someone else's name
-  Students **must** bring a plan of course work for the next semester, otherwise they will **not** be advised at that time
-  If you are planning on taking courses at another university over the summer, you **must** know where you are taking the course(s) and that school's course number(s)
-  Make sure all prerequisites are fulfilled before attempting to sign up for a particular course
-  If you can not make any of the advisement times listed, please see Dr. Teresa Moore or Joyce Gossard
-  Register for courses on VIP at any point on or after your assigned registration day & time
-  Health & Safety requirements **must** be completed before the hold will be released for you to register for any practicums or Independent Study (EXSC 341, 342, 481, 482, 499)
-  DO NOT FORGET TO APPLY YOUR FINANCIAL AID TO COVER TUITION COSTS
