

EXSC Course Prerequisite List

Name: _____ SS#: _____ Date: _____

I have read the following information and understand that the course sequence, course prerequisites, and course requirements are those that are required for continuing progress in the program in Exercise Science. I also understand that if I knowingly violate either this course sequence and/or course prerequisites, I will be given an 'F' in the course(s) enrolled in or taken out of sequence without the appropriate prerequisites.

I am also aware that any changes made in a schedule after revision are to be reported to the undergraduate coordinator immediately and that the Department is not held responsible if such changes contribute to the delay of graduation.
