

## Flexible Courses

(These Courses Can Be Scheduled Almost Any Semester before Graduation)

-  This list is designed to help students when registering for classes.
-  It does not exempt anyone from departmental requirements needed for graduation.
-  When registering, if you are advised to take one of these courses, but that course is either closed or not offered that semester, you may pick another course from this list.
-  Please make sure that all departmental course requirements are met prior to graduation, including CPR and First Aid requirements.
